Ania Haie was born out of a need for on-trend jewellery at accessible prices without compromising on quality. Drawing inspiration from fashion catwalks and street style, we offer fresh, wardrobe must-haves that cater to every woman.

All our pieces are crafted in 925 sterling silver, plated with rhodium or 14KT gold and designed to be layered up to express your unique personal style.

# STARLIT DROPS

A collection for the woman who finds beauty where others merely glance. The Starlit Drops collection mirrors this perceptive nature through celestial touches: fluid droplet designs that catch the light, delicate star accents, and our signature initial necklaces from A to Z. With airy layering, these pieces capture that quiet moment when her knowing smile turns everyday scenes into something special.

# RIPPLE JOY

For those who wear joy as their mother tongue. The Ripple Joy collection orchestrates joy through a visual rhythm: butterfly wings caught mid-beat, gradient gemstones that dance in lush green cadence, and station chains linking every movement into perfect harmony. Designed for playful layering, these styles spark the unguarded laughter she brings to everyday moments.

# TIDE ECHO

For the woman who moves with the quiet power of the ocean — her laughter bright as sunlit waves, her freedom as boundless as the horizon. This collection embraces empowered silhouettes through horn pendants, lariat necklaces, and twisted rope designs, mixed with textured chains for natural movement. Bohemian-inspired symbols like the serpent and the evil eye add a mystic edge, embodying her untamed yet effortless spirit.
